

Team contract

-methods of communication: main method: Discord, backup:phone

-communication response times: within 12h on discord or phone.

-meeting attendance: Every Saturday, Monday, Wednesday, Thursday at 9:30pm (mandatory unless valid reasoning provided)

-running meetings: 9:30pm online every night (face-to-face if everyone agrees)

-meeting preparation:

1. Update everyone on your working progress
2. plan what are we going to do next
3. Discuss any problem we are facing

-version control: Git

(Note: Commit as many times as you want but not in the main branch (create your own branch), use git squash at the end to have 1 commit message)

-division of work:

Scrum Master: Muntaqa, Nandhu
Front end: John, Shence, Shun
Back end: Andrew, Muntaqa, Nandhu
Full stack: Henry

-submitting assignments: Submit everything before 9pm on Fridays.

-contingency planning: Promptly seeks help from the instructor and discuss how to share the backlogged user stories equally.

We accept these guidelines and intend to fulfill them (sign below):

  Shence Yang Yijin Yuan Muntaqa Abdullahi Mahmood
 Henry Zhuc S. Murai
